Hello Friends,

Today is National Women’s Equality Day, this day marks the adoption of the 19th Amendment in 1920, which granted women the right to vote. Wow, 104 years! We are down to a short 70 days before our next election and voting is one of the most powerful ways, we can express our values and have a direct impact on our community and our country.

Every election is a chance for us to have a say in the issues that matter most to us—whether it’s education, healthcare, the environment, or economic policies. I know that we all have our own unique perspectives and concerns, and this is our opportunity to make our voices heard.

It’s easy to feel like our individual votes might not make a difference, but history has shown us that every vote counts. Elections are often decided by a remarkably small number of votes, and our collective participation is what drives meaningful change. By voting, we not only influence the direction of our nation but also stand up for our communities and the issues we care about. I encourage you to exercise your right to vote and encourage others around you as well.

On another note, I want to thank the Planning Committee for all their hard work this year in planning all our events. They are doing an amazing

Philanthropy Committee

Volunteers needed – The Philanthropy committee will be organizing a volunteer day at the Roadrunner Food Bank Warehouse on Saturday October 19th from 8-10 AM. If you would like to participate, please use the QR Code below to sign up. We will send the list into Roadrunner on the 11th of October so they can get the waivers and such organized in advance of our volunteer day.

Have an idea for our next non-profit beneficiary? We are always looking for non-profit organizations to partner with, and it is most successful when we have the membership support in our endeavors. The Philanthropy Committee's desire is to focus on helping women or family organizations in our local community. Suggestions should be sent to WICNewMexico@gmail.com. It is best if you include a contact and a little bit about the organization (goals and focus). Also include why the particular organization is important to you if there is a personal tie.
