Mission Statement

“The purpose for which the association is organized is to promote common interests of its members through membership, networking, community outreach, training, and to advance and maintain an enlightened understanding of women in the construction industry.”

2024 Dates

[Sept 12th - Bowling Social](#)
[Nov 9th - WIC Gala](#)

Hello Friends,

As we find ourselves at the midpoint of the year, I want to take a moment to reflect on our collective achievements and look ahead to what promises to be an exciting second half.

The past months have been filled with remarkable progress and milestones for our industry, and much of that success is due to your unwavering dedication and expertise. Your resilience in overcoming challenges and your commitment to excellence continue to inspire us all.

As we prepare to enter the latter part of the year, I am reminded of the importance of continuous learning and growth. For many of you, this time also signifies the start of a new school year for your children or perhaps even for yourself. Balancing work, education, and personal commitments can be demanding. So, this year we have extended the Women in Construction NM Scholarship to our members, their co-workers and their children in college. Please apply with the link below.

Finally, I want to take a minute and thank the Philanthropy Committee, for all their hard work and dedication! Our partnership with Locker #505 this year has been very rewarding and we appreciate all the members who have participated in making it a

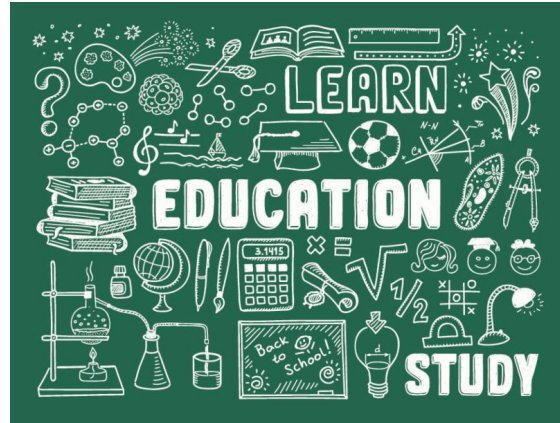

huge success.

Stephanie L. Peña - TLC Company, Inc.
WICNM President 2024

2nd Annual Women in Construction NM Scholarship

We have opened up the scholarship application to our members, their co-workers and their children. Please email us to see who qualifies and to get the application.

Membership Matters!

Membership in WICNM is only \$55 per year and leaves no doubt to its value and return on investment. As a member, you receive a membership discount on membership meetings, and are able to attend our networking events at no-charge. Just the networking events only are a \$45 face value!

The real value of membership is not monetary though, it's about connecting and belonging to a group of women that understand and take pride in the industry of construction just like you. It's what we all have in common whether you're wearing a hard hat in the field or a suit to the office. If you have a hand in the construction industry, this is where you belong.

Why Join?

- Belong to the only association in New Mexico specifically for Women in the construction industry
- Support women in our industry
- Networking evening events
- Membership Meetings with relevant, informative, and interesting speakers
- Monthly Newsletter highlighting our association, our members, women in the industry, events, and community support opportunities.
- Committees - Planning, Marketing & Membership, Philanthropy
- Opportunities to give to and help women in our community
- It's FUN!

2024 School Supply Drive Success!

On June 28, 2024 Women in Construction New Mexico held a School Supply drive to benefit Locker #505. We were able to collect a large number of supplies in addition to monetary donations of \$730.00 which will help the organization support children in Bernalillo, Sandoval, Valencia, and Tarrant counties. If you would like to learn more about Locker #505, sign up to volunteer or donate, you can find more about them here: <https://locker505.org/>.

Thank you to all the WICNM Volunteers, Bradbury Stamm for allowing us to hold

the event once again in their parking lot, and all those who donated to the drive. If you donated, your name was put in to win one of the raffle prizes. Congrats to Michelle and Christi who won the cookie bouquets.
