Membership Matters!

Membership in WICNM is only \$55 per year and leaves no doubt to its value and return on investment. As a member, you receive a membership discount on membership meetings, and are able to attend our networking events at no-charge. Just the networking events only are a \$45 face value!

The real value of membership is not monetary though, it's about connecting and belonging to a group of women that understand and take pride in the industry of construction just like you. It's what we all have in common whether you're wearing a hard hat in the field or a suit to the office. If you have a hand in the construction industry, this is where you belong.
